

Certificate

Standard **ISO 14001:2015**

Certificate Registr. No. **01 104 1917560**

Certificate Holder: **Manifattura Tubi Gomma S.p.A.**
Via Pigafetta 10/12
36040 Grisignano di Zocco VI
Italy

Scope: Design and production of mandrel-built rubber hoses by means of the following processes: purchase and choice of ingredients for raw materials used for the rubber compounds, construction of the hoses on the mandrel using different components for every layer, steam vulcanization of the raw hose, in-process control of the product, cutting to size and assembly of the couplings by crimping. Production of railway material and related accessories consisting of rubber hoses with or without textile plies, insulating materials and tubings made of an elastomer with or without silicone, used for a variety of applications on railway vehicles. Design and production of vibration dampers for the pharmaceutical industry and expandable seals for the onshore and offshore sector

Proof has been furnished by means of an audit that the requirements of ISO 14001:2015 are met.

Validity: The certificate is valid from 2023-03-11 until 2026-03-10.
